Dear Sir/Madam,

Thank you for returning the attached Form B and letter regarding UKPN planned works at Woodmancote, Henfield.

Further to the initial Form B plan issued, UKPN require additional works to the south (as shown on the attached plan titled "260924 Form B Plan 2", a continuation of the initial plan).

The second plan shows two additional spans of overhead line that require a third wire installation and an additional single pole installation within the existing line route (shown in red on the attached plan).

Please may I obtain the LPA's comment on these additional works?

Kind regards,
Emma
