Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I feel the plot is too small for a property to be built on. It would add to the already congested area where parking is already abused by people using the space for use at the rec or school drop off. I know that residents already find it hard to park on their own drives with the parking of no35 already. No he house would also overlook a few of the houses on Churchill Ave. and also Hamilton Road.

Kind regards
