Comments:	This is a great addition to the village and no reason for it not to be allowed. The houses surrounding it do not have a blocked view as there was only a hedge and scout hut there in the first place - and the scout hut is still there but now the gym

It is not an eye sore, it is not blocking any view, it is not hurting the surrounding properties in anyway. There is a dedicated car park so this does not affect the road...those that live there and choose to purposely block the road and entrance to the gym is what causes problems

I think this should go ahead, it will ve a fab addition to our village

Kind regards
