Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	With the minor adjustment to the east side window, to avoid overlooking our living area, we are happy to support our neighbours' proposal. It turns a tiny bungalow into a family home. Aesthetically, it will balance the property with the much larger Effingham. The design is thoughtful and doesn't appear to block our light nor encroach on the boundary.

Kind regards
