CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	4 Angus Close, Horsham
PROPOSAL:	Surgery to 1x Oak.
REFERENCE:	DC/24/1318
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: The Oak tree was inspected and discussed with the owner. The main concern is the limb overhanging the drive. This has been reduced on a previous occasion, to prevent overloading, as the branch has several large cavities along its length. This branch has a large cavity at its union join to the main trunk which is in danger of failing and could cause a hazard to the owners and their property. The branch should be removed back to the main trunk which will make the area safe. The lower crown can be raised by 5m to 6m to give ample clearance over the public path, along with the removal of any dead wood within the crown area. Therefore, HDNC has no objection to this application.
