Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	This building for over twenty years was home to Barn Owls. Planning was approved in 2020 (DC/20/0132) to enclose this barn to store vintage cars and machinery, to my knowledge this has never been the case. The applicant bought the adjacent dairy and was approved planning (DC/20/0820) to convert this into a property with the full intention of developing the two barns on the site to residential properties(DC/25/0114 was approved, has been converted into a property, the applicant now lives in this house and has rented out the Old Dairy). This is an overdevelopment of the site.

The barn is directly at the end of our garden and would have a negative impact on our privacy.

Where did you hear about this application?

Not specified

Kind regards
