Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

- Design
- Loss of General Amenity
- Overdevelopment
- Privacy Light and Noise

Comments: This is an area I walk daily with my dog. These yurts have barely been used in the 5 years I have lived here. I do not believe that these would lend anything to the natural area, and minimal income to the owner. They are in a very poor state already. This seems a surreptitious way of getting a later development application in for housing, which would be more in the line of business for the owner. I object to the application.
