Reasons for comment:

Comments:	Firstly this application is outside the built up area of Rudgwick and Bucks Green. It is not part of the land designated for a housing development. Secondly the access is onto a dangerous bend on a road where there is already a problem with speeding traffic. As a pedestrian constantly walking past the proposed site I can assure you it is highly dangerous. Thirdly it is not in keeping with the type of housing in Loxwood road. Fourthly on behalf of the wildlife of our area this land has already been desiccated several times by the owners who have felled trees and uprooted scrubland that has been a haven for wildlife every time they have put in for planning. We have not seen a hedgehog since this has happened Please leave them some natural space.
