Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	Such an enterprise is wholely inappropriate in a residential country lane in Shipley. The access roads, including Countryman Lane, are narrow and twisting and unsuited to high-performance motor vehicles. The noise disturbance to neighbouring residents is unacceptable. Commercial selling of motor cars from this address on the Knepp Estate has not been permitted in the past (as has been claimed), and is not in the public interest.

Kind regards
