Address: 10 Welcome Place Southwater Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	I object strongly to the clear over-development in and around Southwater. These additional small developments will add pressure to the already over subscribed medical and educational services of the village. As an immediate neighbour I will be overlooked and will be bound to be disturbed by noise emanating from the neighbouring houses should this development be approved. I will also be have to

endure the noise, dust and disruption that the construction phase will create.

I currently enjoy the frequent wildlife visits to the area which will be lost forever should this application be passed.

I respectfully ask that you deny this proposed development.

Kind regards
