Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I feel that we already have new properties in the village on the Sumners Ponds entrance, which I have heard are struggling to be sold, so we do not need more houses to be built in the village to take away more of the beautiful countryside and cause more traffic in the village and loss of ancient woodland and other habitat.

Kind regards
