Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	Ashington is a village. It's only has an infrastructure for a village. The large number of new houses planned will make lives a misery. No change to roads...no medical centre...minimal public transport...a virtually full school. This is unworkable and is

designed to fail. Think it through properly Horsham Planning and reconsider this nonsense.

Kind regards
