Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Building here will destroy the heart of our village it is the worst place there are other sites more suitable as in neighbourhood plan Chapel road is far to busy already to cope with anymore traffic The village is already over developed and houses at Sumners

Ponds remain unsold
Public transport is really bad therefore more cars and parking issues
Southern Water is unable to confirm capacity there is manifestly inadequate capacity with current usage
Also inadequate Electrical supply
Harm to wildlife and removal of ancient hedges

Kind regards
