Comments Details

Commenter Type:	Neighbour
-----------------	-----------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:	- Loss of General Amenity
----------------------	---------------------------

Comments:	We are so looking forward to having our children's play equipment back. The children and parents in the village and surrounding areas used this area regularly and it has been greatly missed. We all hope this will be sorted soon.
