Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The development is completely out of character in a small rural village. Loss of natural habitat and countryside is a tragedy.

Lack of capacity for sewage and flooding issues. Southern water fails repeatedly to meet its obligations.
Roads and infrastructure are inadequate for an increasing population and cars.

Kind regards
