Dear Sir/Madam,

Proposed telecommunication cabinet

Land South of 29 Cedar Drive Southwater West Sussex

I refer to your notification received in this office on 5th February 2024 concerning the above site.

I write to inform you that this Authority has no comments to make on the above proposal, however we would advise that a green colour is used for the exterior of the proposed cabinets. This would be more appropriate in this location due to existing green infrastructure (cabinets). The works can therefore be undertaken in accordance with the submitted details, together with the criteria contained within Part 16 of Schedule 2 of the Town and Country (General Permitted Development) Order 2015, as amended.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours faithfully

Emma Parkes
Head of Development and Building Control
