Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	I would like to object to the 2m fence. The Driftway has a covenant not allowing high fences in front of houses. This would not be in keeping with the rest of the cul-de-sac. Visibility for drivers around the corner at the end of the road would be affected. The road enters a single file section on the corner where the fence would be, currently drivers can easily see pedestrians, children on bikes and other drivers coming around the corner. If a fence was in place, visibility around the corner would be obscured, impacting road safety. The fence would affect the view from our kitchen window.

Instead of a view over grass/up the street/to the downs, a large of part of this would be the wooden fence.

Kind regards
