Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design - Other
Comments:	We live on the same development as 2 Kinsbrook in a home that was originally identical. This proposal has our full support. The changes being made are complementary to those we have made to our home, for which planning permission was granted, so maintaining the similarity of the two properties. The design is attractive and will contribute positively to the overall look of the development.

Kind regards
