Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	I believe the traffic plan for vehicles to enter and exit the development will cause great disruption and potential accidents. Crawley Road, especially heading down to Moorhead roundabout sees high rates of traffic especially at peak times. We have seen countless accidents along this stretch of road, particularly at junctions. The addition of another junction will only further this.

Kind regards
