Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	Having been a resident of Earles Meadow for the last 26 years, we have regularly used the green spaces for the proposed development and are concerned with the impact on the local wildlife and fauna In addition the toad access and egress is already overly congested, with the turn right filter lane being regularly blocked by traffic heading out of Horsham. This is an area where an accident

could happen, the likelihood of which would only increase with additional traffic wishing to turn out of Old Crawley Road. There must be more suitable sites for development especially as Mowbray has yet to be completed

Kind regards
