Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	I object to the proposed new driveway/access on highway safety grounds. The site is not only very near to Slinfold Primary School and to the church, but is also almost immediately opposite the junction with Clapgate Lane, where traffic and pedestrian movement are already high, particularly at school start and finish times, at church service times and when the nearby village hall is in use. Quite simply, this is not a safe location for an additional access point. Due to passing traffic, and the presence of children and other pedestrians, and the fact of the road being on a bend here, it

would be very difficult for vehicles to safely reverse into or out of the driveway - an accident waiting to happen.
Much as I sympathise with the parking issue, I am objecting to this re-jigged application on safety grounds.

Kind regards
