Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment - Trees and Landscaping
Comments:	I strongly object to this application As per most applications no thought is given to the current population, extra traffic, pollution, the lack of local infrastructure, doctors, extremely difficult to obtain an appointment currently, no local hospital emergency service , bus service, extra places

required at schools. The effects on wildlife and the general ecosystem. What has changed since the failed application in 2021? This area has already lost significant loss of countryside. This is an area of outstanding natural beauty Lets keep it that way

Kind regards
