Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	As a neighbour I see groups of Deer daily in these fields. The negative significance to habitat and wildlife this will have is a disgrace and everyone involved should be ashamed of themselves. There are plenty (too many) of new developments going on around Horsham. This is not needed! The roads are

already too busy and unsafe as infrastructure is not supported. There will be ongoing noise, light and air pollution for the surrounding area. I strongly object to this. You are only pushing people who have lived in and supported Horsham for years to consider moving out of the area.

Kind regards
