Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	Dear Ms. Riggs, We support the proposed extension, but we have two concerns relating to the construction phase. 1. Construction Hours

To minimise disturbance to neighbours, we would ask that construction work is limited to standard working hours: 08:00-18:00 Monday to Friday and 08:00-13:00 on Saturdays, with no noisy work taking place on Sundays or Bank Holidays.

2. Traffic Management

The property is located at the end of a cul-de-sac with limited turning space and very little on-street parking. There are also double yellow lines nearby and traffic can be particularly busy at school drop-off and pick-up times.

To help reduce disruption for residents, we would like a traffic management plan to be put in place before work starts. This should cover contractor parking, the timing of deliveries to avoid school peak times and measures to ensure neighbouring driveways and access routes remain clear throughout the construction period.

Kind Regards.

Kind regards
