Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Horsham is becoming if not already overdeveloped. Local facilities and infrastructure are already congested, over priced and stretched. The area being built on is a hotspot for wildlife that we view everyday. Their habits should be preserved and not destroyed before we triggered an ecological crisis. Maybe not with this particular build though it would without doubt add to the

impact, but if they keep popping up we'll hit a point we're we've
lost the nature that made Horsham such a desirable place to live

Kind regards
