Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I would like to object to this proposal to build on this land. Due to fact this is an important part of Horsham for wildlife as I believe it would have a serious effect for the Lampreys, [REDACTED], deer, foxes the barn owls and fauna that grows in these fields, the continued encroachment of housing will effect this and other wildlife by building on such an ecosystem that will be damaging to future generations who will not have the ability to enjoy these fields.

Kind regards
