Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	considerable amount of wildlife impacted, a beautiful brook running through which Brook Lamprey thrive in and are a rare. In addition land protected species, water voles, kingfishers, herons, egrets and many more will be impacted by this land loss. The Brighton road is a fast road and given the development

location this will be a car dependent estate.

You have built more than enough houses on the crawley side of horsham, no need for more here near an area of AONB

Kind regards
