Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Once you start developing on land that's designated as Green, there will be no stopping further developments. I'm also concerned about amenities like surgeries which are already stretched. If 180 properties are built it's highly likely that will increase road use by at least 360 vehicles. It's not sustainable

Kind regards
