Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	When have to stop building on our green fields instead we should be concentrating on existing empty buildings and convert them into homes especially the empty office buildings. We need to keep our green spaces for our wildlife trees and plants. No more. Traffic conjunctions and population is out of control and we need stop the mentality of build build build until nothing is left.

Kind regards
