HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Hawthorns, Church Street, Rudgwick
DESCRIPTION:	Construction of ramped access to connect the existing front entrance to the public footpath to facilitate wheelchair access.
REFERENCE:	DC/25/2091
RECOMMENDATION:	Advice / No Objection / Objection / More Information / Modification / Refusal
SUMMARY OF COMMENTS & RECOMMENDATION: See below	
MAIN COMMENTS: The application site is located to the west of a linear group of listed buildings fronting onto Church Street. The property is of a modern construction and is appreciated in the context of the properties in Kilnfield Road, as well as Church Street. The proposed ramp would be viewed within the context of the existing building and would not appear conspicuous due to the set back of the property. It would not be considered that it would result in harm to the setting of the listed buildings.
