Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I strongly object that Dadswell Drive being the entrance to the new development, the road is not suitable for large lorries especially on the corner and further down the road narrows this is a accident waiting to happen, which the council if approved would be held responsible for, especially when there is an other way in which all the plant and lorries have been using for their preliminary works, all that needs doing is installing traffic lights if the worry is the road

entrance and exit.
Please deny entry from Dadswell Drive and keep the residents safe.

Kind regards
