Reasons for comment:	- Design - Highway Access and Parking - Trees and Landscaping
Comments:	I agree some redesigning of the original hotel is needed. However, this design is not pleasant on the eye. It seems to involve eradicating the road which leads lorries to large container warehouses. Do they propose that these go down Nightingale Road which is not wide enough and a residential road. I do not see any provision for replacing the road.

Some form of greenery/ trees would lessen the harshness of the proposed building.

Kind regards
