Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Trees and Landscaping
Comments:	We decided to live in mousdell close as its such a rural area which was exactly what we wanted , looking at one of the intended access options being right next door to our entrance is concerning as it's already a narrow country lane , cars already travel way too quick down this road and we are concerned this will cause unnecessary traffic and take away from the country feel off the area next to us.

Kind regards
