Subject: DC/25/2115 - Mackley Industrial Estate Henfield Road Small Dole West Sussex BN5 9XR

Dear Alice,

Environmental Health have reviewed the above application and have the following comments:

1. Could the applicant confirm if the development will no longer be using a rainwater harvesting system, and will instead be only using mains water?
2. Could the applicant provide a letter from the water provider to confirm that they have agreed to connect the development?

Kind regards,

Isabelle Carter

Scientific Officer (Environmental Protection)
