

HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	45 West Street, Horsham
DESCRIPTION:	Installation of 1x internally illuminated halo fascia signage and 1x externally illuminated projecting sign.
REFERENCE:	DC/25/2109
RECOMMENDATION:	Advice / No Objection / Objection / More Information / Modification / Refusal
SUMMARY OF COMMENTS & RECOMMENDATION:	
MAIN COMMENTS: 45 West Street is located outside but in close proximity to the Horsham Town Centre Conservation Area, and opposite the grade 2 listed buildings of 21,21A and 22 West Street. Although the preference would be for the use of traditional materials within the setting of the conservation area with handpainted timber signage, it is recognised that the proposal replaces an existing aluminium fascia. The signage would be viewed within the wider streetscene and is of a more discrete design than the existing. No objection would therefore be raised.
