Subject: DC/25/2060 - response to planning

Importance: High

Categories: Consultations

DC/25/2060 - Marlpost Meadows Bonfire Hill Southwater RH13 9BU
Variation of Condition 1 to substitute plans to previously approved application DC/25/0110 for installation of photovoltaic solar panels, zinc seam roof over veranda, tongue and groove cladding and reduction of sun tubes. Removal of Condition 3 and 4 (Water Neutrality) and replacement with Water Consumption requirements.

SPC Comment: **No objection** - there is no mention of cladding colours which has changed from shiplap to tongue and groove. It is requested that Offices seek confirmation to ensure the colour is either natural or fits in line with the countryside development.

Highways are minded to determine that access is acceptable from the busy road as the submitted change provides insufficient information to determine suitability.

Regards

Julie
