Dear Sir/Madam,

Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure England) Order 2015

Application for Approval of Details Reserved by Condition 4 and 5 to approved application DC/21/1705

Land at The Rear of 80 High Street Steyning West Sussex BN44 3RD

The Authority has considered your application, and I can confirm that the submitted information is acceptable pursuant to the following condition(s):

5. **Pre-Commencement (Slab Level) Condition**: No development above ground floor slab level shall take place until the following details have been submitted to and approved in writing by the Local Planning Authority. The works must not be executed other than in complete accordance with these approved details:

a) Drawings to a scale not smaller than 1:5 fully describing roof details, including sections through:
- roof ridge
- hips
- valleys
- eaves including dentil course
- flat roof perimeters

b) Samples or specifications of external materials and surface finishes.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

Date of approval - 13th February 2025

The development shall be implemented in accordance with the approved plans and details listed in the schedule below.

Schedule of plans/documents:

Plan Type	Description	Drawing Number	Received Date
Supporting Docs	Sandtoft Clay Plain Tile - Cheshire Mix		19.12.2024
Materials	Proposed Elevation Materials	2019.13	19.12.2024
Roof plan	Proposed Roof Details	2019.12	19.12.2024
Plans	Proposed External Wall Details	2019.11	19.12.2024

I can also confirm that the submitted information is **NOT** acceptable pursuant to the following condition(s):

4. **Pre-commencement (slab level) Condition**: No development above ground floor slab level shall commence until full details of the water efficiency measures and rainwater/greywater harvesting system required by the approved water neutrality strategy (Freeman Beesley - Revision B, Dated: 03/02/2023) have been submitted to and approved in writing by the Local Planning Authority.

   Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 179 and 180 of the National Planning Policy Framework (2021), its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

5. **Pre-Commencement (Slab Level) Condition**: No development above ground floor slab level shall take place until the following details have been submitted to and approved in writing by the Local Planning Authority. The works must not be executed other than in complete accordance with these approved details:

   c) A sample panel of brickwork / stonework, not less than 0.8 sq m, constructed on site. Before any further brickwork / stonework is undertaken, the panel must be inspected and approved in writing by the local planning authority. All brickwork / stonework must be executed in accordance with the sample panel, which shall remain on site until the works are complete and the condition discharged.

   Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

This letter constitutes a legal document which should be regarded as an addendum to the original planning application.

If you have any queries or require further information, please do not hesitate to contact the Case Officer.

Yours faithfully

Emma Parkes
Head of Development and Building Control

ADDITIONAL INFORMATION

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
