Good afternoon Nic,

Thank you for consulting us on the above applications. Following on from our comments made on the other reserved matters application at this site (**DC/24/1676**) regarding the need for updated surveys, and given that a PWMS condition was added to the previous decision notice, we would recommend that a similar condition requiring the need for a PWMS to be submitted prior to commencement is applied for these two applications also.

Best wishes,

Laura Downs (*she/her*)
