Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Allowing this amendment will set a worrying precedent for all companies and must not be approved for the sake of the people living next door! Living right behind the estate we already have many companies not staying in their working hours and days restrictions and often can hear vehicles at 4am and Sundays. In the Summer, noise outside of hours is an even bigger problem due to the close proximity of these buildings when we have windows open. This application raises major concerns and possibilities for this building and other companies on

the estate to EXTEND their working hours and days, which were not part of the original plan when the estate was developed.

Kind regards
