Comments:	Sirs I strongly object to this application for Bank Holiday working. This is a long weekend and we all should be enjoying our gardens with family and friends not listening to lorry's and vans reversing, loading pallets etc. Its up to the company to manage their work load NOT US. If this is permitted all the other company's will also apply. and we will end up with 24/7 working. Conditions are in place to stop this happening when permission was given.

HDC please don't pass this ,remember we have to live here.
Regards

Kind regards
