Subject: DC/24/1920 - Chanctonbury Nursery, proposed NMA

Dear Dave

I'm Just working my way through the proposed non-material amendments, and I'm broadly satisfied with the details. The only element I'm not too happy about is the loss of the fish-scale / 'Club' feature tiles to Plots 30, 32-35, 40-43, 59, 61, 62, 65, 66, and 74. Looking at the Elivia portfolio, these details have successfully been implemented in other developments, and add a depth of character to the overall development.

Kind regards
Nic
