Technical Data

Enclosure

Protection class IP44
Class of protection II (with electrical insulation)
Fiberglass-reinforced polyesters (using SMC process), IEC-695-2-1
Halogen free
Color: Grey similar to RAL7035
Resistance to UV light
Guideline 07/04 VdN (Association of Network operators)
Weatherproof
Resistant to decay and chemicals
Lock single swing handle (for half profile cylinder)

Dimensions:

Height : 850 mm (~1200mm above ground floor)
Width : 590 mm
Depth : 320 mm

IoT Box – Outdoor Type (Floor Mounting) - Ver 01
