Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	In 2015 Southern Waters (SW) report to a proposed site behind Two Mile Ash Road in Barns Green, said there was insufficient capacity at Barns Green WTW (BGWTW), moving on 5 years and now work carried out at BGWTW, SW have said there is capacity. Moving forward to an email from SW to HDC, it says; Thank you for your patience. We are currently investigating this matter, and, at this stage, we are unable to confirm with confidence whether there is sufficient capacity at Barns Green WTW.

and continues to say that they do not know what the time scale will be before they get and answer.
Surely this development cannot be passed
