Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	I strongly object to this proposed development. The lane is rich in wildlife and is widely used by dog walkers, as well as being a quiet, safe, and peaceful place where children can ride their bikes. Cowfold is a close-knit community with many young families, and approving this application would significantly disrupt our way of life. The village's infrastructure is already under strain from existing traffic levels; adding more homes and vehicles would place it under unacceptable pressure.

Kind regards
