Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment
Comments:	There is already a severe lack of parking in this road,the proposed developments are nothing like existing dwellings,water pressure is already poor,this area is now over developed as planning has already been approved at the bottom of the road & also the

current state of the road at montpelier gardens is already poor so the running of plant & hgv's needed to build these would destroy the road

Kind regards
