Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	Eastlands Lane is a Local Green Space and will be negatively impacted on by increased traffic from the house development. This lane is used by village residents to walk and enjoy nature. This development is not on the Cowfold Parish Council development plan - other areas on the plan are being developed, bringing new homes to the village. The village does not need these additional 9 houses in this local green space.

There will also be a negative impact on the wildlife.

The lane is not suitable for increased traffic and widening it would ruin the local green space.

Kind regards
