Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	My first concern is that it would seriously increase the traffic along Eastlands Lane, especially during rush hour as well as school pick up and drop off times Also this development has the potential to effectively extend the boundaries of the village. This could then open a further door for far more inappropriate development

The proposed houses are not appropriate for the needs either of the village or for West Sussex. They would be too expensive to meet the needs of any expansion of Crawley or indeed Horsham

Kind regards
