CONSERVATION AREA NOTIFICATION

ASSESSMENT SHEET

APPLICATION NO:**CA/25/0005: Public Open Space around Storrington Mill Pond Old Mill Drive Storrington.**

REPRESENTATION AND CONSULTATION RESPONSES:
Storrington and Sullington Parish Council has indicated no objection to this notification.
No additional representations have been received in respect of this notification.

ASSESSMENT:
It is not considered that the surgery works on the T1, Willow or T2 Sycamore trees in question will result in any adverse impact on the character and amenities of the Conservation Area.

It is acknowledged that removal of T3, T4 and T5 all Alders, and T5 a Rowan will result in some loss of amenity to the area following the trees removal. However, given the poor condition of the trees, It is considered that the proposed works are reasonable and justified for the reason stated, and it is therefore not necessary or appropriate to protect them with a Tree Preservation Order (TPO) to prevent the works from being completed as proposed.

RECOMMENDATION:
No objection to notification.
