Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Our main cause of objection is the amount of houses proposed in a relatively small area. The village has expanded recently and a further 68 houses will place undue strain on both parking and

amenities in the area.

The roads around Barnes green are insufficient to accommodate the amount of traffic this will generate and the access to site is inappropriate for a development of the scale.

It would appear to contravene the council's countryside policy as it's undeveloped pastoral land where planning should not be permitted unless essential.

The proposed house design feels unsuitable for the village with housing height bigger than surrounding properties

Finally we feel the impact on the wildlife and loss of ancient hedges feels unnecessary and unwise

Kind regards
