Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	We are concerned that the plans to build at least 2 pitches for a permanent site at Forest Grange will be detrimental to the flora and fauna in this area of HWNL so close to Ancient Woodland. We are concerned for the bats, hedgehogs, great-crested newts, hazel doormice and other animals affected by over development, lighting and noise.

Kind regards
